In compliance with state law, Wood County Hospital is providing this price list containing our charges for room and board, emergency department, operating room, delivery, physical therapy and other procedures. The hospital's charges are the same for all patients, but a patient's responsibility may vary, depending on payment plans negotiated with individual health insurers.

Uninsured or underinsured patients should consult with our admitting and billing staff to determine whether they qualify for discounts. These prices are correct as of July 1, 2024.

Please note that the hospital prices listed here do not include fees for drugs, supplies or additional ancillary procedures that may be required for patricular treatment. They also do not include fees for additional physician fees. Physicians bill their fees separately.
